**COUNTY OF CUMBERLAND  
BOARD OF CHOSEN FREEHOLDERS  
Bridgeton, NJ 08302**

It is with great pleasure that I and my colleagues on the Board of Chosen Freeholders, provide you with the 2008 edition of the Official Cumberland County Directory. Cumberland County indeed has “More To Offer”. You are invited to discover more about our special County in Southern New Jersey by visiting our website at [www.co.cumberland.nj.us/](http://www.co.cumberland.nj.us/)

This easily referenced guide, available both as this booklet and electronically at our web page address, contains the most recent listing of elected officials, volunteers and employees serving Cumberland County government and its 14 municipalities. The people listed work diligently to provide Cumberland County with quality government services. When it becomes necessary for you to use this directory to reach them, we are confident they will be cooperative in meeting your needs.

By keeping this publication handy, you will have the most current reference tool to County and Local government available for 2008. By providing the who, what, where and when of County government, this guide will assist you in contacting the various government departments, agencies and authorities.

While it is possible some names may change before the printing of the next edition, the agencies, telephone numbers and addresses should remain current during the year. Should you require more data than contained in this booklet, please call the Cumberland County Public Information Office at (856) 453-2180, or FAX your request to (856) 453-9138. The staff is experienced in addressing a wide variety of concerns and will use their knowledge to connect you with the government office which can best serve your needs.

As we believe this publication reflects the pride shared by all of us working for and with the citizens of Cumberland County, the Board of Chosen Freeholders appreciates your interest and will continue to support publication of the Official Directory.
